Is Troy an Incorporated Town?

If it is, why don't the vitizen call a meeting, or hold an election, and elect officers, who will make ordinance compelling real estate owners to repair the side walks on their own premises. It is a shame and disgrace to the town to see such an utter disregard to the real bencefit of good side walks. Every man ought to have pride and public spirit enough to keep them in good repair on his own premises, and then be willing to pay something towards repairing those that lead to the Churches and Academy.
